

### **REMARKS**

In the Restriction Requirement dated September 14, 2005, the Examiner identified three (3) independent and distinct inventions as follows:

- Group I. Claims 1-17, drawn to a collimating device;
- Group II. Claims 18-32, drawn to a light control device and method for making a light control device; and
- Group III. Claims 33-35, drawn to an LCD display.

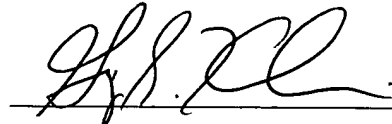

In response to the Restriction Requirement dated September 14, 2005, Applicant provisionally elects the invention designated by the Examiner as Group I (Claims 1-17) drawn to a collimating device. Accordingly, Applicant has cancelled claims 18-35 without prejudice to presentation of these claims in this or a later filed case.

With the above election, it is respectfully submitted that the subject application is now in condition for examination on the merits. The Commissioner is authorized to charge any additional fees or credit any overpayments to Deposit Account No. 02-2051, specifically identifying Docket No. 25762-35.

Respectfully submitted,

Dated: October 14, 2005
